and to Dean Oatman & family
for his years of service on the board.*

ESTABLISHED

October 10,

1945

Land Ownership

Private Land.....1,178,910 acres
Federal Land.....50,460 acres
State Land.....105,163 acres

Land Use

Rangeland.....1,303,033 acres
Irr. Crop.....1,000 acres
Non-Irrigated.....26,500 acres

ON-THE-GROUND WORK

2025 District Conservation Cost Share

\$10,741 in District funding (supported by local tax revenue from Mill Levy)

\$10,741+ in landowner contributions
(cash match with materials and labor)

\$21,482+ investment

We sell Pronone power pellets (herbicide).

It's about 12 cents a pellet.

Small bucket: \$135

Big bucket: \$450

Call Harold or Dale for details.

Harold: 719-980-0198

Dale: 719-980-5107

Pronone Power Pellet is a herbicide.
Active ingredient Hexazinone
3-cyclohexyl-6-dimethylamino-1-methyl-1,3,5-triazine-2,4 (1H, 3H) dione at 75%
Inert ingredients at 25%

It used to control any woody species such as (Cedar, Mesquite, Yucca, Sagebrush, Huisache, Wild Plum, Oak, Juniper, Tallow, Walking Stick Cactus).

Easy to apply, no special equipment to apply it, no grazing or haying restrictions, remains active even after extended periods of no rainfall. Apply 2-3 pellets per tree over 4 feet tall. Yucca, need to apply 4-6 pellets on a fairly large plant. Apply at the base of the woody specie. Allow up to 6 weeks after a rain, for the herbicide to go into the ground and 1/2-1 inch rain will do that.

ON-THE-GROUND WORK

2025 CSCB Matching Grant Conservation Cost Share

Watering Facilities, Fencing, and Livestock Pipelines Built Through Local–State Partnership

9,660 feet of new livestock fencing
8,290 gallons of watering tanks
1,022 feet of livestock pipeline

This important conservation achievement directly benefited **12 local landowners**, strengthened agricultural operations, and improved natural resource stewardship throughout the region.

\$25,000 in District funding through CSCB Matching Grant

\$25,000+ in landowner contributions
(cash match with materials and labor)

\$50,000+ investment
